

AZ DRIVER

This is a full or part time position depending on the successful candidate. The driver is needed for across Ontario and into the states. A minimum of 5 years driving experience is required, as well as a current clean driving abstract. The position is for transporting heavy equipment with some wide loads. You would be responsible for loading and unloading, strapping, securing and tarping as necessary. The ability to read, write and speak English is mandatory. All loads will be tracked with electronic log keeping which you are responsible for. The position requires heavy lifting and getting on and off some heights. A good attitude, reliability and understanding of change is required to manage the stresses of this position. This is mainly a Monday to Friday position with some weekends or overnights depending on destination. Please submit resumes to us via in person or by mail.
